A total of 325 hotels around the world were honoured in the sixth year of the TripAdvisor Travellers' Choice competition. Unlike any other hotel awards programs that survey perhaps thousands of people, TripAdvisor Travellers' Choice winners are based on the millions of real and unbiased reviews and opinions about hotels on TripAdvisor sites and content from across the web.

Nationwide, awards went to 11 hotels in England and one each in Scotland, Wales and the Channel Islands.

The Chesterfield Mayfair, in London, took the laurels for best performing British hotel. The property which was a two times winner in last year's Travellers' Choice has enhanced its popularity among travellers and taken awards in four categories (Top 100 Best Luxury World, Top 10 Best Luxury Europe, Best in Top 25 Most Popular Destinations, Top 10 Best Service Europe). This Regency-style town-house hotel is described by TripAdvisor travellers as "exquisite
